

The Civil Engineers' Club of the Institution of Civil Engineers

Programme flyer 2018

CEC website:
<http://www.ceclub.net/>

Objectives of the club

1. To be "at the heart of society, delivering sustainable development through knowledge, skills and professional expertise."
2. To enhance the image of the Civil Engineer through the organisation of major events.
3. To promote social and sporting activities amongst Civil Engineers and their families.
4. To give Members of the Institution the opportunity for maintaining friendships established during their professional life.

Our aim is to provide a range of activities which broaden the skills and interest of members and provide an opportunity to meet other Civil Engineers outside their usual professional life.
