

## Civil Engineers' Club Walk

This event is being organised by the Civil Engineers' Club, but any friends wishing to join us will be welcome.

**Date:** Saturday 9th November 2019

**Time:** Start 10.00 am

**Meeting Point:** Chatham Railway station

**Distance:** 9 miles.  
6miles in the morning and early afternoon. 3 miles after lunch.

**Overview:** A circular walk via the 'Lines and Maritime Monument', old Royal Naval Barracks (HMS Pembroke), the dockyard, St. Mary's Island (with views of the River Medway and Upnor Castle, the historic dockyard area, Brompton and Fort Amherst.

The walk involves some slight/moderate gradients, steps at times, but mainly flat terrain. It will be on pavements and footpaths, except for a wooded area leading up to Fort Amherst.

**Route:** For those driving, use the Whiffen's Ave car park – this is a large car park at the top of the hill by the Town Hall (£3.50 for 6 hours not the £2.50 option for 4 hours. **The walk will pass through here at about 10.15.** All day parking at the railway station is £6.30 but car park most likely to be full. We should arrive back at Whiffen's Ave car park about 3.45 pm and Chatham Railway Station 4 pm. **See map of route and that of historic dockyard attached.**

**Lunch:** Lunch has been arranged at 'The Mess Deck' in the historic dockyard area for 1.30 pm. Note please bring a snack if you wish as we will stop on route and possibly a coffee if we have time.
