

Notes on Walk 9th April 2022

The walk started from Pluckley Station car park and followed a route which took us through the heart of the Kent Countryside following parts of the Greensand Ridge, along the Greensand Way and covering areas of the low weald. We were able to enjoy views of the high weald bathed in sunshine from various vantage points along the way. We passed by woodlands with aconites and bluebells. occasionally meandering onto the Stour Valley Way and crossed the Great Stour at a couple of places.

After an excellent lunch at the Swan Inn in Little Chart we returned through orchards via Pluckley.

The length of the walk was approximately 8 miles and 15 walkers took part.

Thanks to Stewart Biggs for leading the walk, organising the lunch at the Swan Inn and providing an interesting commentary and to Sally for ensuring that no one got lost. Thanks also everybody who joined us.

Tony Barber
