FOR THE
THOMAS TELFORD TROPHY
3rd & 4th SEPTEMBER 2023

'The Wales National Course' sits in The Vale of Glamorgan – an area sometimes referred to as 'the garden of Cardiff'. It was designed by Peter Johnson and is teeming with wildlife across its mature woodland and vast water features.

At 7,433 yards off the Championship tees, it is one of the longest courses in the world outside of the United States, and in golfing terms something of a rarity at par 73.

The **Wales National Course** is a quality, testing course that has successfully hosted numerous professional events including European Challenge Tour and Senior Tour events, as well as the PGA EuroPro Tour.

The resort itself has long been the home base of the WRU who use the first class training, gym and spa facilities. We have been able to secure and reserve a range of accommodation for all TTT players, veterans and sponsors for the nights of 3rd and 4th September 2023. Should it's location and setting tease you into extending your stay to explore the area or enjoy more golf, the hotel boasts a range of of leisure facilities including the adjacent Hensol Castle gin distillery.

- Reservations for overnight accommodation have been secured for the 3rd and 4th September 2023.
