

Civil Engineers' Club Walk

This event is being organised by the Civil Engineers' Club, but any friends wishing to join us will be welcome.

Date: Saturday 25th January 2025

Time: Meet at 9.45 am for Start at 10.00 am

Meeting Point: Newton Statue, British Library Forecourt, Euston Road

Distance The distance will be about 1.5 miles before lunch and 0.5 miles afterwards.

Background Places of Scientific Interest around King's Cross.

Overview: Come and explore the Artificial Intelligence landscape, Google, Meta, Samsung, Francis Crick Institute, Moorfields Hospital, Biomedical Science, Universities, think tanks, Alan Turing Institute, British Library and exotic neighbours including Unicorns, Babel Towers, ZX Spectrum links and more with Lester Hillman, our guide who has been involved in the King's Cross Area for five decades.

Route: On leaving Euston Road, we will head North along Midland Road
The route will provide an opportunity to learn about some non technical, quirky and funny issues, drawing upon our guide's five decades of infrastructure, transport and development involvement lurking in the dark back streets of King's Cross.

Lunch: There are many cafes and restaurants in the King's Cross area where will take a break.

After lunch we will explore St Pancras International, two decades (yes two decades) since the Eurostars arrived.

Registration: Please note that places are limited and will be allocated on a first come first served basis and register using the link:
