

Notes on the CEC Kent Walk 9th November 2024

The walk started from Wimbledon Park Underground Railway Station and took a route through Wimbledon Park and by the All England Lawn Tennis Club onto the Commons passing by the Windmill where we took a brief stop. The route then followed close to the NW and West sides of the Commons along the Beverly Brook and then east passing by Caesar's Camp before lunch.

We stopped for lunch at the "Fox and Grapes" where we had excellent food.

After lunch most of us took the opportunity to walk around the grounds of Cannizaro House before heading past Rushmere Pond and through Wimbledon Village passing by Oliver Read's favourite Dog & Fox Pub and lots of smart shops before heading downhill to Wimbledon Station.

The length of the walk was approximately 9 miles and 17 walkers took part.

Thanks to John Baron for leading the walk and booking lunch.

Thanks also to everybody who joined us.
