

## Notes on the CEC Kent Walk 5<sup>th</sup> April 2025

This year's Spring Walk started from Kemsing taking a northerly route. Having crossed the Pilgrims Way, the route went to the top of the North Downs with a chance to admire the amazing view. The twenty-one walkers then headed east along the North Downs Way where it was possible to see stunning views across the Vale of Holmesdale, before descending and going via the 17th Century St Clere estate to Heaverham for lunch at The Chequers. The return journey to Kemsing village was through fields, completing the 6½ mile walk.

Thanks to Stewart and Sally Biggs for leading the walk, providing an excellent commentary and booking lunch and to everyone who joined us.

Tony Barber
